

# Porto

Élégante et sobre, cette sublime chaise PORTO aux accoudoirs légèrement désunis de la structure s'accordera parfaitement à votre table de salle à manger ou à la salle d'attente de votre cabinet. La courbe de son dossier épousera magnifiquement la forme de votre dos pour une posture droite et confortable.

Deze sublieme, elegante en sobere PORTO stoel met armleuningen die lichtjes loskomen van het frame, zal perfect passen bij uw eetkamertafel of in uw wachtkamer. De welving van de rugleuning volgt mooi de vorm van de rug voor een rechte en comfortabele houding.

Elegant and sober, this sublime PORTO chair with its arms slightly disjointed from the frame will perfectly match your dining room table or the waiting room of your practice. The curve of its backrest will beautifully follow the shape of your back for an upright and comfortable posture.

FRAME	SUSPENSION	CUSHION	REMARKS
All our frames are made with top quality solid wood which has been cut and treated in our workshop. Their joints are shaped and fitted for a long lasting structure. The thickness of the frame matches the construction requirements of each piece of furniture.	All our seats are made with reinforced zig-zag springs, carefully made by an industrial process, which gives the furniture durability and strength required for a performance, not forgetting the comfort that characterizes our products.	Our backrest are made with upholstery straps, polyurethane foam and fabric.	All padded area of our furniture are covered with polyurethane foam duly approved.

FEET			
Our wooden legs and feet are made of beech wood.		Natural
