FRAME	SUSPENSION	CUSHION	REMARKS
All our frames are made with top quality solid wood which has been cut and treated in our workshop. Their joints are shaped and fitted for a long lasting structure. The thickness of the frame matches the construction requirements of each piece of furniture.	All our seats are made with reinforced zig-zag springs, carefully made by an industrial process, which gives the furniture durability and strength required for a performance, not forgetting the comfort that characterizes our products.	Our backrest are made with upholstery straps, polyurethane foam and fabric.	All padded area of our furniture are covered with polyurethane foam duly approved.
